The roles we recruit for

Across permanent and contract recruitment, we have the tools and networks to deliver for even the most niche requirements.

Below are just some of the many roles that we've successfully recruited for recently in the engineering sector.

Applications Engineers	Design Engineers	Mechanical Maintenance Engineers
Automation Engineers	Development Engineers	Metallurgists
Buyers	Electrical Design Engineers	Multi-skilled Maintenance Engineers
CAD Engineers	Electrical Maintenance Engineers	Process Engineers
Calibration Engineers	Electricians	Product Engineers
Chemical Engineers	Electronics Design Engineers	Production Engineers
Civil Engineers	Electronics Engineers	Production Planners
CNC Programmers	Estimators	Project Engineers
Commissioning Engineers	Facilities Engineers	Project Planners
Continuous Improvements Engineers	Fitters	Purchasing Engineers
Contracts Engineers	Graduate Engineers	Quality Engineers
Controls and Instrumentation	Health and Safety Engineers	Quality Managers
Cost Engineers	Installation Engineers	Reliability Engineers
Decommissioning Engineers	Instrumentation Engineers	Safety Engineers
	Lean Manufacturing Engineers	Sales Engineers
	Machinists	Service Engineers
	Maintenance Engineers	Stress Engineers
	Manufacturing Engineers	Structural Engineers
	Materials Engineers	Technical Authors
	Mechanical Design Engineers	Tendering Engineers
	Mechanical Engineers	Workshop Engineers

And many more...

WE PRIDE OURSELVES
ON GREAT RELATIONSHIPS

Rise has been able to consistently offer us a selection of highly suitable candidates to fill our positions. We are looking forward to continuing to build our relationship with Rise.

Sectors we work in

Here are just a few of our specialist verticals within the engineering sector:

- ⁄ **MANUFACTURING & PACKAGING**
- ⁄ **CHEMICAL ENGINEERING**
- ⁄ **DEFENCE & MARINE**
- ⁄ **CONSULTANCY**
- ⁄ **AUTOMOTIVE**
- ⁄ **AEROSPACE**
- ⁄ **TELECOMS**
- ⁄ **FACILITIES**
- ⁄ **UTILITIES**
- ⁄ **FMCG**
- ⁄ **RAIL**
- ⁄ **FSM**
